EDUCATION & CERTIFICATIONS

University of Massachusetts, Boston

Boston, Massachusetts

Bachelor of Science in Computer Science

09/2020-12/2024

- **Relevant Coursework:** Software Engineering, Computer Graphics, Internetworking, UI/UX Design
- **Involvement:** CS Club, Math Club, Chess Club

Fullstack Web Development Bootcamp

Udemy

By Colt Steele

08/2023

- **Completed** a 94-hour hands-on web development bootcamp, mastering full-stack skills in the MERN stack, unit testing, and API development.

PROJECTS

Portfolio Website

- **Developed a dynamic portfolio website** using React, showcasing personal projects and achievements, with a focus on responsive design and UX.
- **Link:** <https://woooocoder.github.io/mySite/>

Boulder Flash (WIP)

- **Led a 2-week scrum**, assigning rotating roles amongst peers, analyzing needs, and constructing a user/task analysis, followed by a Figma prototype.
- **Developed the front end** with a focus on usability and design heuristics, ensuring a user-friendly interface to log, share and generate statistics about your rock climbing sessions.
- **Link:** <https://github.com/woooocoder/boulder-flash>

YelpCamp

- **Designed a scalable backend** with two servers handling authentication and server-side rendering, and modeled a non-relational database synchronized with each server's API.
- **Implemented third-party services** such as Cloudinary for image management and MapQuest for geolocation features
